

VALLEY REAL LIFE

Experiencing God | God Works

Last Week

Any great stories to share from Easter?

Opener

Have you ever met a famous person and were surprised by how they differed from your expectations?

Questions

In your own words, would you say you need more of in your life, knowing about God or experiencing God's presence? What do you think the difference between the two is?

Looking back in your own life, can you see where God was working when at the time, when perhaps you didn't feel he was paying attention? In reflection, what have you learned?

Is it easier to see God working in other's lives rather than our own? Why do you think we don't see God working in our lives?

How would our lives change if we lived as if we always believed God was working and preparing us for what he has planned for us? Describe this kind of life.

Apply SOAP (Scripture, Observation, Application, Prayer) to:

Psalm 16:11 (NIV)

You make known to me the path of life; you will fill me with joy in your presence, with eternal pleasures at your right hand.
