Uncommon | Uncommon Responsibility with Freedom

Last Week

What take-aways did you have from last week's lesson about marriage and/or being single?

Opener

Can you share a time when you learned a hard lesson about responsibility?

Questions

In your own words, what do you think it means when you hear that with our freedom in Christ, we have a responsibility that goes along with it? Can you give an example of how you would apply this in the church today?

In 1 Corinthians 8, Paul uses the example of not eating meat for the sake of others. What other modern-day examples in society could we use to replace the "eating of meat" with in the verse and still apply the principle Paul is trying to teach them? (*an example might be posting our political opinions on social media*)

LeRoy asked this question in his sermon, "What does the way I use my freedom say about the God I believe in?" How would you answer that?

Is there a danger that comes from freedom? How would you describe this danger?

Apply SOAP (Scripture, Observation, Application, Prayer) to:

Galatians 5:13 (NLT)

For you have been called to live in freedom, my brothers and sisters. But don't use your freedom to satisfy your sinful nature. Instead, use your freedom to serve one another in love.

Read the verses out loud together,

- *Share your observations,*
- *Discuss Application*
- *Close in Prayer*

Next Steps:

How can we use our freedom in Christ to show the world the good news of Jesus?
