

VALLEY REAL LIFE

Made: To be loved.

Last Week

How did you apply last week's lesson about our purpose? Who did you share the lesson with?

Discuss

Who in your life has made you feel the most loved?

Reflect

In your own words, why do people desire to be loved?

Do you find it easier to love someone when you feel the love is being returned? How do you feel knowing God loves us without us returning His love back to Him?

Do you find it difficult to extend love to those you determine don't deserve your love? How can you work on changing that in your life?

We are made to be loved and we are made to love like Christ loved us. Is there anyone in your life that God is calling you to love even though it's difficult?

Study

Have yourself, another group member, or all group members read the following Scripture out loud

Ephesians 3:16-19 (NLT)

I pray that from his glorious, unlimited resources he will empower you with inner strength through his Spirit. Then Christ will make his home in your hearts as you trust in him. Your roots will grow down into God's love and keep you strong. And may you have the power to understand, as all God's people should, how wide, how long, how high, and how deep his love is. May you experience the love of Christ, though it is too great to understand fully. Then you will be made complete with all the fullness of life and power that comes from God.

- And who are you going to tell?
