[Questions Jesus Asked | Do you call me Lord?](#)

Last Week

How did you apply last week's lesson on believing the resurrection? Who did you share the lesson with?

Opener

Do you remember a time when you were told to do something a certain way, but you did it your own way, and it turned out badly?

Questions

In Luke 6:46, Jesus uses the term, Lord. Why do you think he didn't use the term Master, Rabbi, or Teacher here? How does using Lord vs Teacher in this verse change the meaning?

Why do you think we sometimes struggle with Jesus as Lord, but not as Savior?

In the parable of the two builders (Luke 6:48-49), what were some of your take aways from this? How does it help you better understand the question Jesus asks; "Why do you call me Lord, Lord!" when you don't do what I say?"

What does building your life on a firm foundation look like to you? Are there areas in your life that you feel might be built on sand instead of rock?
