Any take aways from the past series on the 7 realities of experiencing God?

Opener

If you had to teach the idea of Kingdom work to someone, how would you explain it?

Questions

What's the difference between "Kingdom work" and "Kingdom work as a lifestyle?" Why do you think the difference between them matters?

From the letter to the Ephesians, several things were mentioned as part of the Kingdom lifestyle. Unity, the way we respond to suffering, our own spiritual practices (prayer, Bible study, worship), our love for others, the way we serve, living our best to avoid sin, etc...which of these do you think is the most important in your life? Which of these is an area that you need to emphasize more in your life?

Do you find it difficult to be a Christian in everything you do? When you think about it, do you find yourself with many identities (Parent, Spouse, Employee, Boss, Student, Christian) like a person with different hats vs just one diverse identity (A Christian Parent, A Christian Spouse, etc...)

Imagine you had to do a check in with Jesus on a weekly basis. What impact would this have on your life?
