

# VALLEY REAL LIFE

Be and Make | Accept

---

## **Last Week**

Was there anything from Vision weekend that excited you?

## **Opener**

What was ever something that you belonged to that you remember really meant something to you? What was it that made it so important to you to be accepted into it?

## **Questions**

When you think about belonging to something, what does that mean to you? Are their requirements or expectations? What about here at VRL?

Any thoughts on why we must accept God's gift rather than the idea that everyone is just saved automatically by the sacrifice of Jesus on the cross?

What is it about someone's personal testimony that makes it a powerful evangelical tool to share the gospel? Can anyone share the reason they accepted and decided to follow Christ?

What are some other ways you can share Christ with others? What has been the most effective for you?

## **Apply SOAP (Scripture, Observation, Application, Prayer) to:**

Romans 10:14-15 (NLT)

But how can they call on him to save them unless they believe in him? And how can they believe in him if they have never heard about him? And how can they hear about him unless someone tells them? And how will anyone go and tell them without being sent? That is why the Scriptures say, "How beautiful are the feet of messengers who bring good news!"

*Read the verses out loud together,*

- *Share your observations,*
- *Discuss Application*
- *Close in Prayer*

## **Next Steps:**

What can we do as a group to help share the good news of Jesus?
