

# VALLEY REAL LIFE

The Generous Life | Principle of Multiplication

## **Last Week**

Did God show you something about yourself and your generosity over these past few weeks?

## **Opener**

What factors about an organization or person do you use to decide on what or who to give to?

## **Questions**

Do you first consider your financial situation, or the amount you have available before giving financial gifts away? Or afterwards?

Tyler said, “God doesn’t need our money — he needs our faithfulness” What do you think this means? When we hear that God can multiply our gifts, no matter what the amount, does that make you rethink what you give to God’s kingdom?

Do you have a favorite ministry or purpose that you know your VRL contribution helps? Can you share why it’s your favorite? Do you think about how God multiplies your gift in your favorite ministry?

## **Apply SOAP (Scripture, Observation, Application, Prayer) to:**

Hebrews 13:16 (NLT)

And don’t forget to do good and to share with those in need. These are the sacrifices that please God.
