

# VALLEY REAL LIFE

But God: But God Was With Joseph.

## **Last Week**

After last week's lesson, was there a temptation in your life that you felt needed to be addressed?

## **Opener**

Can you share a story about your mother?

## **Questions**

How have you seen God's presence in your life during difficult circumstances? What are some ways God has helped you through trials and/or injustices?

Can you recall a time when your plans were interrupted, but later you saw God's purpose in the change?

How do you understand the concept of "good" as described in Romans 8:28 in your own life experiences?

Have you ever had a "But God" moment where a seemingly negative situation turned into something positive?

Was there anything else from Joseph's story that stood out to you and could be applied to your own life?

## **Scripture Discovery:**

Have yourself, another group member, or all group members read the following Scripture out loud

Genesys 39:20- (NLT)

*So he took Joseph and threw him into the prison where the king's prisoners were held, and there he remained. But the LORD was with Joseph in the prison and showed him his faithful love. And the LORD made Joseph a favorite with the prison warden. Before long, the warden put Joseph in charge of all the other prisoners and over everything that happened in the prison. The warden had no more worries, because Joseph took care of everything. The LORD was with him and caused everything he did to succeed.*
