

# VALLEY REAL LIFE

Made: Missional Identity

## **Last Week**

How did you apply last week's lesson about our spiritual identity? Who did you share the lesson with?

## **Opener**

What do you love and find fulfillment doing?

## **Questions**

If you had no barriers stopping you, what would you be doing with your life?

Dan stated in his lesson, "There are things we are all asked to do vs things we are gifted by God to do." How would you explain this in your own words? Which one would you say is the tougher of the two for you?

What do you believe are some of your God given gifts? (The group can help by offering suggestions to anyone who has a hard time answering this.) Have you ever taken a spiritual gifts test?

Would your life look different if you lived as an ambassador for Christ's kingdom every day and every place? What are some of the differences you would notice in your typical daily routines?

## **Scripture Discovery:**

Have yourself, another group member, or all group members read the following Scripture out loud

Ephesians 2:8-10 (NLT)

*God saved you by his grace when you believed. And you can't take credit for this; it is a gift from God. Salvation is not a reward for the good things we have done, so none of us can boast about it. For we are God's masterpiece. He has created us anew in Christ Jesus, so we can do the good things he planned for us long ago.*

- What does this passage tell us about God?
- What does this passage tell us about people?
- How do you need to apply this passage to your life?
- And who are you going to tell?
