

VALLEY REAL LIFE

[Kung Fu Theology | Liquid Methodology](#)

Last Week

How did you apply last week's lesson on solid theology? Who did you share the lesson with?

Opener

Have you witnessed a method of evangelism that appeared to be effective, yet you would have never thought of it or believed you could do it yourself? What did you learn from this?

Questions

Of the three parts of PMS (Pray, Meet, Serve), which is the toughest for you and why? What idea could you try to help you improve on your choice of which was the toughest for you?

Can you share a time you prayed *Henini* (God, whatever you are about to ask, I'm in agreement with.)? Is this type of prayer difficult for you?

Why do you think it's important for us to serve others as Christians? Have you ever felt called to serve in an area you felt wasn't up your alley?

Have you ever met someone and afterwards thought "Did God put that person in my path on purpose"? What can you do to become more intentional about talking about your faith, Jesus, or church when meeting people?

Scripture Discovery:

Have yourself, another group member, or all group members read the following Scripture out loud

1 Corinthians 9:19-23 (NLT)

Even though I am a free man with no master, I have become a slave to all people to bring many to Christ. When I was with the Jews, I lived like a Jew to bring the Jews to Christ. When I was with those who follow the Jewish law, I too lived under that law. Even though I am not subject to the law, I did this so I could bring to Christ those who are under the law. When I am with the Gentiles who do not follow the Jewish law, I too live apart from that law so I can bring them to Christ. But I do not ignore the law of God; I obey the law of Christ." When I am with those who are weak, I share their weakness, for I want to bring the weak to Christ. Yes, I try to find common ground with everyone, doing everything I can to save some. I do everything to spread the Good News and share in its blessings.

- What does this passage tell us about people?
- How do you need to apply this passage to your life?
- And who are you going to tell?
