# VALLEY REAL LIFE

## Q & A Sunday

### Last Week

How did you apply last week's lesson about Christmas in other areas of your life? Who did you share the lesson with?

### Opener

What are you looking forward to in 2025 here at VRL?

### Questions

Where do you see yourself in the ABCD Discipleship Pathway? (Accept, Belong, Contribute, and Disciple)

How can you set yourself up to be able to take the next step in your spiritual journey? (example: What needs to happen to get you from Accept to Belong?) What can this group do to help you?

Were there any of the Q&A that you found interesting or surprising?

### **Scripture Discovery:**

Have yourself, another group member, or all group members read the following Scripture out loud.

1 Corinthians 12:18-27 (NLT)

*But our bodies have many parts, and God has put each part just where he wants it. How strange a body would be if it had only one part! Yes, there are many parts, but only one body. The eye can never say to the hand, "I don't need you." The head can't say to the feet, "I don't need you."*

*In fact, some parts of the body that seem weakest and least important are actually the most necessary. And the parts we regard as less honorable are those we clothe with the greatest care. So we carefully protect those parts that should not be seen, while the more honorable parts do not require this special care. So God has put the body together such that extra honor and care are given to those parts that have less dignity. This makes for harmony among the members, so that all the members care for each other. If one part suffers, all the parts suffer with it, and if one part is honored, all the parts are glad. All of you together are Christ's body, and each of you is a part of it.*

- What does this passage tell us about people?
- How do you need to apply this passage to your life?
- And who are you going to tell?
