

VALLEY REAL LIFE

Experiencing God | God Speaks

Last Week

Did anyone feel God's invitation to something that you felt compelled to respond to after last week's lesson?

Opener

Have you ever been in a conversation and when it was over, you realized you didn't hear a word the other person was saying?

Questions

How does God speak to you? Do you have a favorite way to hear God?

How can we intentionally put ourselves into a position to allow God to speak into our lives? Have you ever felt like God spoken to you through another person?

While realizing how much God wants to speak to us, what does that tell us about the importance of being cautious about what and who we listen to?

God uses the Holy Spirit to speak to us through the Bible, Prayer, Circumstances, and the Church. In this next season of your life, which of these 4 ways do you feel like you need to focus on more?

Apply SOAP (Scripture, Observation, Application, Prayer) to:

Isaiah 28:23 (NASB)

Give ear and hear my voice, Listen and hear my words.

- *Read the verses out loud together*
- *Share your observations*
- *Discuss Application*
- *Close in Prayer*

Next Steps:

What habit can you establish this week to hear God's voice more clearly?
